HOLIDAY

Homework

CLASS: - I (2018-19)

Dear children

With summer vacation round the corner, let's prepare ourselves not just to relax and rejuvenate but also to utilize the time in creative and constructive ways.

We are sure that all of you must be enjoying your holidays. You must have started making plans to visit your grandparents, relatives and friends, watching television during the day, taking a dip in the swimming pool and joining some activity classes with your friends.

We wish that you enjoy every minute of this long break with your family and friends. It will be great if you are able to find time to visit museums and monuments, learn new things, explore new areas near your house, play indoor and outdoor games, read as many story books as you can, help your parents and grandparents, go for morning walk and play in the park in the evenings during your long summer break.

We are giving you a variety of fun-filled activities and worksheets which you can do during your long summer break. Do them neatly and submit the worksheets to your teachers after the vacation.

In addition to this **parents are requested to encourage your child to read a lot**. Television time needs to be strictly limited and programmes they **watch** should be monitored. The child should be encouraged to keep a diary to note their thoughts about the books they read, day to day happenings, special occasions etc. the child should also be encouraged to pursue what they are interested in through the process of inquiry.

So dear parents gear up and be an active participant in your child's summer assignments.

Wishing all of you a very enjoyable and fun-packed summer break.

See you on Monday, July 2, 2018.

Note: -

- ❖ Do all the holidays homework in one colourful scrap book.
- ❖ Submit your holidays homework till 5 July'18.
