

## **Dear DAVians**

In our combat against the COVID-19 virus, we all are passing through a critical phase and grim challenges to save our fellow countrymen, and ultimately the humanity. Certainly, our sensibility, judiciousness, positivism and a sense of national responsibility will help us overcome this rough time.

So, being proud DAVians, let's join our hands together and rise to the occasion to help and support our society and the nation as a whole.

Following our Hon'ble PM's call in right earnest, we must religiously show self-discipline and observe 21 days' Lockdown. Let us all express our sincere gratitude towards the people associated with health care and essential services. Let us all show courage in the form of self-discipline. Self-restraint, and our national duty.

During this crucial time, the DAV faculty as a team has taken an initiative to fill the gaps between students and school by providing them virtual online classes. The teachers are providing learning material in the form of audios/videos followed by worksheets and finally online test. Further to that, our teachers have started online live classes also using zoom cloud meeting app. Thus, all children at their homes with the support and due care of their parents are able to keep themselves gainfully engaged.

Let us all make the most of our times we have got to spend with our family, and make a virtue of the necessity imposed by the nature on us. Further, in this hour of financial crisis, let us donate generously to help the needy in response to the clarion call given by Hon'ble Dr Punam Suri ji, President, DAV College Managing Committee, New Delhi.

Let us observe physical distancing, but no emotional distances. Stay home, stay safe, stay healthy, stay gainfully engaged. Save yourselves, save the nation.

**Jai Hind, Jai Bharat!**
