# IMPORTANT INFORMATION

Dear Parent,

Greetings from DAV Centenary Public School !

Summer Vacation is the most awaited time for parents and kids alike. However, this time it is different due to COVID-19 as youngsters are already not going to school. Thus, our responsibilities get double to keep our children active.

We, at DAV, understand it very well that presently our proximity to resources is limited. Considering this, we have tried to keep "Summer Holidays Homework" simple and informative but interesting as well, so that our DAVians love to spend their time in completing it.

The objective of holidays homework is to enable our students work independently and also to improve their academic skills.

## **Here are few suggestions for parents :-**

- Make sure that you are spending quality time with your wards amidst this tensed environment. It is very important to keep their anxiety at minimum.
- Giving them small responsibilities in household chores will aid them to be independent.
- Teach them the importance of moral values in their life.
- Motivate them to read good books.
- Encourage them to do one handwriting page each of English and Hindi daily and two pages of Maths practice.
- Keeping in view the prevailing situation indulge yourself in various indoor games with them.

We cannot overlook the fact that the Summer Holidays are the time to relax and revive. While the entire world is struggling hard in recovering from the pandemic COVID-19, we together will have to make it sure that our youth is least effected from the panic around.

So, make these holidays memorable for them by providing a nurtured and stimulated environment at home which is full of fun, excitement, and learning.

Please note:

- Use resources (rough notebook, ruled/coloured sheets) only which are available at home to complete all Holidays Homework including craft work.
- Prepare a systematic timetable and follow it religiously from the very first day.
- Allow them to complete homework on their own under your guidance.

Holiday Assignment is an interesting way to utilise our young DAVians' time in the most fruitful way.

**Wish you all a fun filled, safe and healthy holidays ahead!**
