HOLIDAY HOMEWORK

SESSION: 2019-20

CLASS:- 3

FOR THE PARENTS

Its vacations time again! The uphill task of keeping your little ones fruitfully occupied must be the top most priority in your mind. We are giving a variety of fun-filled activities and worksheets which they can do during their long summer break. Make them do neatly and submit the worksheets to their teachers after the vacation.

A few vital suggestions are listed below to make the vacations more exciting and fruitful than ever before:

- ◆ Keep at least half an hour a day for sharing experiences with your child.
- ◆ Encourage your child to speak in English. Fix one hour in a day when you communicate with your child only in English.
- ◆ Tell your child different stories regularly and encourage him to describe what he/she would do in a similar situation.
- ◆ Restrict his or her television watching, confining it to interesting children's programs, cartoon films, Discovery channel etc.
- ◆ To improve the formation of letters, make your child write a page everyday.
- ◆ Develop self help skills: Let your child dress and feed on his/her own.
- ◆ Make him understand the importance of cleaning his room and putting away toys and belongings after use.
- ◆ Take your child out for picnics and to other places of his/ her interest. Ask him/her to make a note of all the places he/ she visits and the things he/she sees so that he/she is able to discuss his/her experience in class after the vacation
- ◆ Child must enjoy every minute of this long break with his family and friends.
- ◆ Child must help and spend time with his grandparents also and learn moral values.

Wishing all of you a very enjoyable and fun-packed summer break.

Have a nice time !

See you on Monday, July 1, 2019
