LET'S EXERCISE DO YOGA

21ST JUNE INTERNATIONAL YOGA DAY

1

COBRA POSE

- Lie down on the yoga mat on the tummy, with hands near chest. Push upwards into a backbend with an arched back.

2

CAT POSE

- Get down on hands and knees. Reach spine towards ceiling as high as possible, so that the back is arched like a cat.

3

BUTTERFLY POSE

- Sit on the ground and join the soles of the feet and spread the knees. Hold your feet with hands and move the legs up and down like a butterfly moves her wings.

4

TREE POSE

- Tree is my favorite pose to work on with kids who need help with balance. Kids pretend like their arms are the branches and stretch them high. Kids can really feel this one working their leg muscles.
